Important Information

Should you pay for the personal or business rate?

The account for certain types of vehicles requires the owner to choose between personal and business rate payment options.

If the wrong rate is paid, and this vehicle is involved in an accident that results in a claim for personal injury by a third party, then you, as the owner described in the vehicle licence issued herewith, may be in breach of the insurance policy. This may then result in a recovery action by the Insurance Commission of Western Australia, against you, for the costs of settling that personal injury claim, in accordance with the *Motor Vehicle (Third Party Insurance) Act 1943*.

Business rate

Whether you licence your vehicle at the personal rate or at the business rate impacts the amount of Compulsory Third Party Insurance (CTPI) you pay.

You must pay the business rate if your vehicle:

- Is used for business purposes; and/or
- You or your business are registered for GST and entitled to claim an Input Tax Credit (ITC) for the CTPI component of the licence.

Personal rate

To be eligible for the personal rate your vehicle must be a car or motorcycle that is licensed in the name of a natural person and **not used** for business purposes.

Selling or Buying a Vehicle

When a vehicle is sold, both the seller and the purchaser are required to notify the Director General by completing a Notification of Change of Ownership form (MR9). These are available online at www.transport.wa.gov.au/dvs

The vehicle should not be driven while subject to Department of the Attorney General enforcement action.

Change of address

If you have changed your address, you must notify the Department of Transport in writing within 21 days. Notification of change of address can be completed online at www.transport.wa.gov.au/dvs or alternatively the details may be faxed to 1300 669 995. Please provide your full name, date of birth, previous & current address, drivers licence number and all vehicle plate numbers (including trailers, motorcycles, caravans, and boats licensed in your name).

Return of Plates

If you do not renew this vehicle licence, you **must** return the number plates to the Department of Transport within three months of the current expiry date to avoid any penalty.

Pensioner Concession Information

If you hold a Pensioner Concession Card or both a Commonwealth Seniors Health Card and **WA Seniors Card**, you may be eligible for a concession on your vehicle licence fee. For further information on concession entitlements visit www.transport.wa.gov.au/dvs or call 13 11 56.

Concession entitlements must be applied for prior to the payment of the vehicle licence renewal otherwise full payment is required.

If you currently receive a concession on your vehicle licence fees and your eligibility entitlements have changed, you must notify the Department of Transport immediately. If you continue to claim concession rates on a vehicle, and you are no longer entitled to that concession, the vehicle licence will be deemed invalid. The continued use of the vehicle on any road will be in contravention of the *Road Traffic Act 1974*.
