

EVENTS COVER

If you are an organiser, promoter or sponsor of an event such as trade shows, expos, conventions, conferences, exhibitions, concerts, fetes, sporting or fund raising events and the like, you may require cover for cancellation or abandonment of the event due to any cause or circumstance beyond your control. You must complete an Events Cover Application Form and submit to RiskCover for consideration and determination of cover. The Events Cover is an optional cover which is not automatically covered under the RiskCover Cover Document.

Please note: This Product Disclosure Statement is intended to provide an overview of the cover. For full details of coverage refer to the RiskCover Document and Fund Guidelines, your agency's specific Certificate of Cover, Variation of Cover (where applicable) and Special Cover (where applicable).
