We provide motor vehicle injury insurance for more than 1.8 million drivers and 2.8 million vehicles in Western Australia.

We also provide self-insurance arrangements for the Government, covering over 169 WA public authorities for workers' compensation, property and liability.

The [Insurance Commission of Western Australia Act 1986](#) and the [Motor Vehicle \(Third Party Insurance\) Act 1943](#) guide our operations.

To meet insurance liabilities, we invest and manage assets in an investment portfolio valued over \$4.5 billion. We also manage and underwrite a number of funds to facilitate our insurance operations.

Our goal is to deliver efficient and equitable insurance services to WA motorists and Government authorities.
