What is covered?

[Home](#) / [RiskCover](#) / [What is covered?](#) / **Liability**

RiskCover provides a range of liability covers to agencies including:

- General liability cover for claims lodged against an agency for any legal liability from an occurrence in connection with its activities;
- Employment practices liability cover for claims made against an agency for employment related disputes;
- Professional liability cover for claims made against an agency for its errors or omissions in the rendering of, or failure to render, professional advice or services; and
- Medical treatment liability cover for claims made against an agency for bodily injury, mental injury or death of a patient caused by its rendering of, or failure to render, medical or health services (other than first aid).

Please see the [Product Disclosure Statement](#) and [fact sheets](#) for more information on liability cover. To lodge a liability claim, visit the [Make a Claim](#) page.
